Space Rental Inquiries can also be made online at http://arts.gatech.edu/ferstcenter/theatre-rental

The Ferst Center for the Arts is an 1141 seat multipurpose theatre (1041 fixed, 100 temporary) built in the Spring of 1992 with a proscenium stage, hydraulic orchestra lift, sprung wooden stage floor, and fly tower. The lobby features a box office and a large open space well-suited to accommodate pre-and post-show audiences, and for hosting parties/events.
Technical Specifications

The theatre is equipped with a single purchase counterweight fly system with 44 line sets spaced 8 in. apart located on Stage Left with the loading bridge 55 foot above stage level. The arbors are capable of handling up to 1200 lbs. Please refer to the lineset schedule in regards to lines that contain orchestra shell clouds and permanent electric raceways. These items are not moveable. There is no walkable grid. Rigging personnel are necessary for any points that need to be rigged from the grid area at the expense of the renter.

STAGE DIMENSIONS:
- HEIGHT to proscenium 19’6” ft. HEIGHT to grid 60 ft
- Out-trim 53 ft. HEIGHT to loading bridge (SL) 50 ft
- DEPTH to plaster line 34 ft DEPTH to downstage edge 37 ft
- DEPTH to edge of pit 51 ft (When pit is at stage level)
- WIDTH of proscenium 51 ft
- WIDTH wall to wall 80 ft
- SR wing to wall 12 ft
- SL wing to rail 10 ft
